Princes BLANC DE BLANCS

The House de Venoge resurrects the mythical Champagne Princes created in 1864 by Joseph de Venoge in honor of the Orange Princes. Its elegant and famous carafe recalls the crystal flasks in which European aristocracy used to decant their champagnes in the early twentieth century.

TASTING NOTE

Princes Blanc de Blancs is made only from Premiers Crus and Grands Crus (Mesnil sur Oger, Trépail) that are rigorously blended by our Cellar master. This Champagne shows wonderful mineral notes and a great ageing ability. Its freshness and elegance are underlined by subtle aromas of white flowers and citrus. Princes Blancs de Blancs will enchant your aperitif or nicely pair with a light starter.
