## *Princes* BLANC DE NOIRS

The House de Venoge resurrects the mythical Champagne Princes created in 1864 by Joseph de Venoge in honor of the Orange Princes. Its elegant and famous carafe recalls the crystal flasks in which European aristocracy used to decant their champagnes in the early twentieth century.

### TASTING NOTE

Princes Blanc de Noirs is made mostly from the Montagne de Reims Premier and Grands Crus. The blend is completed by a careful selection of parcels from les Riceys.
