de VENOGÉ

Princes ROSÉ

The House de Venoge resurrects the mythical Champagne Princes created in 1864 by Joseph de Venoge in honor of the Orange Princes. Its elegant and famous carafe recalls the crystal flasks in which European aristocracy used to decant their champagnes in the early twentieth century.

TASTING NOTE

A precise selection from the Petite and Grande Montagne de Reims brings minerality and rectitude to Princes Rosé, while the grapes from les Riceys bring richness to this great wine of Champagne. The strawberry and gooseberry flavors, paired with citrus aromas make this Champagne a true wonder to enjoy during the aperitif, with lobster or salmon.
